# Power up your Office Workflow

You print files, make copies and scan documents: it is all part of your daily office tasks. What would you say to reducing the time you spend on them and clearing office space as well? Lanier's SP 1100SF is your answer. A wealth of intelligent capabilities in a remarkably compact package you can place near your desktop. Offering full multifunctionality, the SP 1100SF swiftly takes care of your fax demands too. No need to settle for anything less: the SP 1100SF is set to take on any office challenge!

- Walk-up printing at 20 ppm
- Fast copying with short warm up
- Straightforward business faxing
- Excellent colour scanning
- Direct USB device connectivity

## Multitask & Save Costs

Being able to handle your document needs from one device is a must to work more efficiently. While saving the costs of purchasing and maintaining multiple systems, you also make sure all functionalities are within your reach. With the SP 1100SF you can benefit from a variety of capabilities and increase your office productivity at the same time!

## Guaranteed Productivity

Print and copy your documents fast and extra time becomes available to concentrate on other issues. The systems omit any waiting time: your first print is out in 13 seconds, while they continue at a speedy 20 pages per minute. Larger copy jobs are handled fast as well using the SP 1100SF's 50-sheet Auto Document Feeder.

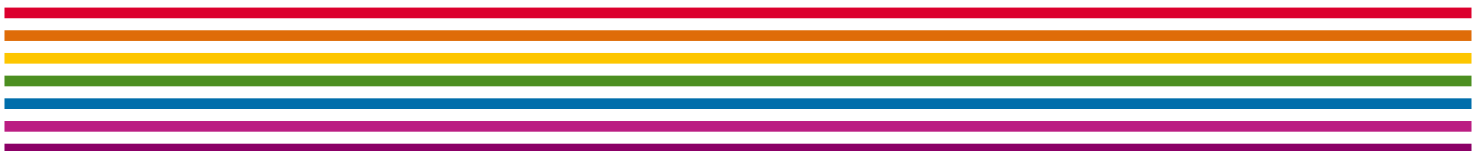

## Straightforward Maintenance

Still think feature packed office devices are complicated to maintain? The SP 1100SF proves differently. No need to study complex user manuals and acquire extensive technical knowledge. Maintaining these devices is effortless thanks to their easy to replace all-in-one cartridge.

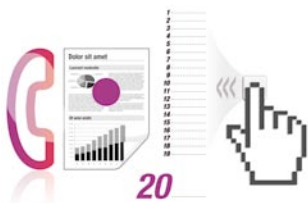

## Advanced Colour Scanning

Digitise documents and non-standard originals to efficiently organise all your information. With the SP 1100SF's colour scan capabilities you save time, space and do away with archive problems. Digitising books and magazines is just as easy: they can be scanned directly from the platen glass.

## Business Class Faxing

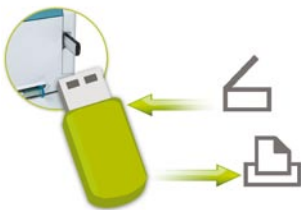

- meet your needs through standard G3 faxing
- transmit messages in 2.5 seconds
- fax larger jobs using the 50-sheet Auto Document Feeder (ADF)
- use the handy one touch dial on the operation panel for 20 locations
- speed up the fax workflow with 250 speed dials and 32 group dials

## Compact & Easy to Use

Conveniently place the SP 1100SF near your desktop: no valuable office space is lost thanks to their space saving dimensions. Installation is straightforward and you can immediately access all functionalities using the intuitive control panel. Supplies and paper can easily be handled from the front of the device. Anyone can operate these all-in-one performers!

## Direct Printing from/Scanning to USB Device

Saving documents on USB memory devices makes them instantly mobile and extremely easy to handle. The Lanier™SP 1100SF further optimise this dynamic workflow. Without even attaching a computer, you can directly print from and scan to your USB memory device. As soon as you upload the scanned data, you can take it with you – it is that easy.

## With the Environment in Mind

Like all Lanier products, the Lanier™SP 1100SF reflects Lanier's commitment to the environment through the usage of toxic free materials\* and low power consumption (energy saver mode).

\* In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances, effective from July 2006).
